

This form is used to record approval of student's dissertation proposal and advancement to candidacy. The personal signature of each committee member is required. Candidates must attach a copy of the dissertation/paper/project proposal (depending on degree). See Degree Regulations in the Bulletin at <http://bulletin.cgu.edu> for requirements and instructions relating to this form.

Student Information

CGU ID# 254 - _____

Last Name _____ First Name _____ Middle _____

Department/Program _____ Degree _____

Dissertation/Project Title _____

I understand that research involving human participants is subject to review by CGU's Institutional Review Board (IRB). For more information, see <https://mycampus.cgu.edu/orspg>.

My research (check one):

- does not involve human participants (either directly or through records research)
- does involve human participants, and the research protocol for the dissertation has been or will be submitted to CGU's IRB for review.
