

Application for a New (Subsequent) Degree
for Current CGU Students only

Office of Admissions

121 East Tenth Street, Claremont, CA 91711 • Ph. (909) 607-7811 • admissions@cgu.edu

Claremont Graduate University (CGU) permits current students to declare their intention to add a subsequent degree once they have completed their existing degree. This form is considered to be an application to a new degree at CGU and completion of this form permits admissions review committees in the requested new degree to review CGU student records including previously submitted application materials. As programs have differing admissions requirements, you may be required to submit additional application materials. Current program requirements are available on the CGU website. Refer to the CGU Bulletin for policies on sharing units. Units may only be shared by a maximum of two degrees.

Instructions.

- Do not use this form to make a change to your current degree (use the Degree/Certificate Change Request instead).
Enter your current program/degree information in the fields below.
Submit separate forms for each new degree/certificate you wish to add.

Student Information

CGU ID # 254 —

Last Name First Name

My Current Program/Degree(s)

Program (Department) Degree Concentration

Anticipated Graduation (Term & Year) Have you already filed an Intent form to receive this degree? Y N

Requested New Degree
