Student Disability Support Resources

If you would like to request academic accommodations due to temporary or permanent disability, contact Dean of Students and Coordinator for Student Disability Services at DisabilityServices@cgu.edu or 909-607-9448. Appropriate accommodations are considered after you have conferred with the Office of Disability Services (ODS) and presented the required documentation of your disability to the ODS.

-OR-

It is the policy of The Claremont Colleges to accommodate students with disabilities. Any student with a documented disability who requires reasonable accommodations should contact Dean of Students and Coordinator for Student Disability Services at DisabilityServices@cgu.edu or (909) 607-9448.

Title IX

If I learn of any potential violation of our gender-based misconduct policy (rape, sexual assault, dating violence, domestic violence, or stalking) by any means, I am required to notify the CGU Title IX Coordinator at Deanof.Students@cgu.edu or (909) 607-9448. Students can request confidentiality from the institution, which I will communicate to the Title IX Coordinator. If students want to speak with someone confidentially, the following resources are available on and off campus: EmPOWER Center (909) 607-2689, Monsour Counseling and Psychological Services (909) 621-8202, and The Chaplains of the Claremont Colleges (909)621-8685. Speaking with a confidential resource does not preclude students from making a formal report to the Title IX Coordinator if and when they are ready. Confidential resources can walk students through all of their reporting options. They can also provide students with information and assistance in accessing academic, medical, and other support services they may need.
