According to American College Health Association's 2017 survey, **39% of college students** report feeling so depressed that it was difficult to function and 1 in 5 are diagnosed or treated for anxiety.

Through BetterHelp, a national virtual counseling service, you can get the help you want, the way you want it. Starting on the effective date of your policy, you have access to Psychologists (PhD / PsyD), Marriage and Family therapists (LMFT), Clinical Social Workers (LCSW) and Licensed Professional Counselors (LPC). These professional licensed counselors will be available to you via ongoing text communications, live chat, phone, video or groupinars.

When you first visit the counseling website, you will be asked to register and complete a questionnaire that will request your UHCSR insurance information on your ID card, emergency contacts and your goals for accessing the service. The questionnaire will also ask you for counselor preferences (gender, specialty, etc.) to ensure you are matched with a practitioner that can help you meet your goals. Within 24 hours after completing the questionnaire, you will be contacted by a counselor to schedule an appointment and decide on a communication method that best suits your needs.

As an insured with **StudentResources**, there is no consultation fee for this service. Every communication with a BetterHelp counselor is covered 100% during your policy period.

Insureds must register at www.counseling4students.com to use BetterHelp services.

Non-insureds can now access BetterHelp, by clicking on "Get Started" and selecting "Registering for paid account".
