A. The Allowed Amount for Participating Providers will be the amount We have negotiated with the Participating Provider, or the Participating Provider’s charge, if less.

B. The Allowed Amount for Non-Participating Providers will be determined as follows:
   1. Facilities.
      For Facilities, the Allowed Amount will be the lesser of:
      • 150% of the Centers for Medicare and Medicaid Services Prospective Payment System (PPS) amount;
      • The Facility’s charge;
      • an amount based on Our Participating Provider fee schedule or rate.
   2. For All Other Providers.
      For all other Providers, the Allowed Amount will be the lesser of:
      • 150% of the Centers for Medicare and Medicaid Services Provider fee schedule, as applicable to the Provider type;
      • an amount based on Our Participating Provider fee schedule or rate.
      For Physician-administered pharmaceuticals, We use gap methodologies that are similar to the pricing methodology used by the Centers for Medicare and Medicaid Services, and produce fees based on published acquisition costs or average wholesale price for the pharmaceuticals. These methodologies are currently created by RJ Health Systems, Thomson Reuters (published in its Red Book), or Us based on an internally developed pharmaceutical pricing resource if the other methodologies have no pricing data available for a Physician-administered pharmaceutical or special circumstances support an upward adjustment to the other pricing methodology.

C. The Allowed Amount for Covered Services incurred outside of the United States will be determined as follows:
   • For Providers or Facilities contracted with GeoBlue, the Allowed Amount for care delivered outside of the United States will be the lesser of the amount billed by the Provider or Facility, as reflected on the verifiably provided bill, or the contracted amount that Provider or Facility has agreed to in writing with GeoBlue.

The Allowed Amount will not exceed the amount ordinarily charged by most providers for comparable services and supplies in the locality where the service or supplies are received.

We reserve the right to verify and audit any medical bills prior to reimbursement.
Our Allowed Amount is not based on UCR. The Non-Participating Provider’s actual charge may exceed Our Allowed Amount. You must pay the difference between Our Allowed Amount and the Non-Participating Provider’s charge. Coverage will end at 11:59 PM on the last date of insurance. An Eligible Dependent’s coverage will end without prejudice to any claim.

Renewing Coverage: Coverage under this Certificate is not automatically renewable. Eligible Participants may re-apply for coverage as long as they meet the current eligibility requirements, re-apply for coverage, and payment of the applicable premium to the Insurer by the Eligible Participant is received. There is a 31 day grace period in which to pay the premium due. Renewals may be subject to a minimum premium payment.

SECTION 13
COVERAGE OF NEWBORN INFANTS AND ADOPTED CHILDREN

Coverage of Newborn Infants: A newborn child of the Eligible Participant will automatically be a Covered Person for 31 days from the moment of his/her birth if the birth occurs while the Certificate is in force, and subject to the particular coverages and amounts of insurance as specified for Eligible Dependents in the Schedule of Benefits.

Coverage of Adopted Children: An adopted child of the Eligible Participant is covered on the same basis as described above for a newborn. Coverage starts on the date of placement for adoption, provided the Eligible Participant’s coverage is then in force. Coverage terminates if the placement is disrupted and the child is removed from placement.

Newborn children are covered for the Medically Necessary treatment of medically diagnosed congenital defects, birth abnormalities and premature birth.

Expenses for routine nursery care means the charges of a Hospital and attending Physician for the care of a healthy newborn infant while Confinned. Care includes treatment of standard neo-natal jaundice.
In order to continue the coverage of a newborn child beyond the 31st day following his/her date of birth or of an adopted child beyond the 31st day following his/her placement:

1. Written notice of the birth or of placement of the child must be provided to the Insurer or to the Administrator within 31 days from the date of birth or placement; and
2. The required payment of the appropriate premium, if any, must be received by the Insurer.

If 1. and 2. above are not satisfied, coverage of a newborn child or of the adopted child will terminate 31 days from the date of birth or placement.

SECTION 14
CLAIM PROVISIONS

Notice of Claim: Written notice of any event which may lead to a claim under the Certificate must be given to the Insurer or to the Administrator within 30 days after the event, or as soon thereafter as is reasonably possible.

Claim Forms: Upon receipt of a written notice of claim, the Insurer will furnish to the claimant such forms as are usually furnished by it for filing claims. If these forms are not furnished within 15 days after the notice is sent, the claimant may comply with the Proof of Loss requirements of the Certificate by submitting, within the time fixed in the Certificate for filing proofs of loss, written proof showing the occurrence, nature and extent of the loss for which claim is made.

Proofs of Loss: Written proof of loss must be furnished to the Insurer or to its Administrator within 90 days after the date of loss. However, in case of claim for loss for which the Certificate provides any periodic payment contingent upon continuing loss, this proof may be furnished within 90 days after termination of each period for which the Insurer is liable. Failure to furnish proof within the time required will not invalidate nor reduce any claim if it is not reasonably possible to give proof within 90 days, provided:
1. It was not reasonably possible to provide proof in that time; and
2. The proof is given within one year from the date proof of loss was otherwise required. This one year limit will not apply in the absence of legal capacity.

Time for Payment of Claim: Benefits payable under the Certificate will be paid immediately upon receipt of satisfactory written proof of loss, unless the Certificate provides for periodic payment. Where the Certificate provides for periodic payments, the benefits will accrue and be paid monthly, subject to satisfactory written proof of loss.

Payment of Claims: Benefits for accidental loss of life under the Accidental Death & Dismemberment coverage, if included in this Plan, will be payable in accordance with the beneficiary designation and the provisions of the Certificate which are effective at the time of payment. Any benefit amount payable due to the loss of life of a Dependent Child will be paid to the Primary Insured Person.

If the Covered Person has not chosen a beneficiary or if there is no beneficiary alive when the Covered Person dies, the We will pay the benefit amount for loss of life to the first surviving party in the following order:
1. The Covered Person’s Spouse or Domestic Partner;
2. In equal shares to the Covered Person’s surviving children;
3. In equal shares to the Covered Person’s surviving parents;
4. In equal shares to the Covered Person’s surviving brothers and sisters;
5. The Covered Person’s estate.

Any other accrued benefits unpaid at the Covered Person’s death may, at the Insurer’s option, be paid either to his/her beneficiary or to his/her estate. Benefits payable under other coverages shall be payable to the provider of the service. Benefits payable under the Accidental Death & Dismemberment coverage, other than for loss of life, will be paid to the Covered Person.

If any benefits are payable to the estate of a Covered Person, or to a Covered Person’s beneficiary who is a minor or otherwise not competent to give valid release, the Insurer may pay up to $10,000 to any relative, by blood or by marriage, of the Covered Person or beneficiary who is deemed by the Insurer to be equitably entitled to payment.

If any other benefits are payable for coverages under this Plan, the Insurer or its Administrator may pay individual or entity who is deemed by the Insurer to be equitably entitled to payment, whether or not such benefits have been assigned by Covered Person due to the Covered Person’s death, disability or unavailability.

Any payment made by the Insurer in good faith pursuant to this provision will fully discharge the Insurer of any obligation to the extent of the payment.

Choice of Hospital and Physician: Nothing contained in this Certificate restricts or interferes with the Covered Person’s right to select the Hospital or Physician of his or her choice. Also, nothing in this Certificate restricts the Covered Person’s right to receive, at his/her expense, any treatment not covered in this Certificate.
Physical Examination and Autopsy: The Insurer may, at its expense, examine a Covered Person, when and as often as may reasonably be required during the pendency of a claim under the Certificate and, in the event of death, make an autopsy in case of death, where it is not forbidden by law.

Services inside the U.S., Puerto Rico, and the U.S. Virgin Islands
Worldwide Insurance Services, LLC/4Ever Life International Limited has a variety of relationships with other Blue Cross and/or Blue Shield Licensees referred to generally as "Inter-Plan Programs." Whenever you obtain healthcare services inside the United States, Puerto Rico, or the United States Virgin Islands, the claims for these services may be processed through one of these Inter-Plan Programs, which include the BlueCard Program and may include negotiated National Account arrangements available between Worldwide Insurance Services, LLC/4Ever Life International Limited and other Blue Cross and Blue Shield Licensees.

Typically, when accessing care inside the United States, Puerto Rico, and the United States Virgin Islands, you will obtain care from healthcare providers that have a contractual agreement (i.e., are “participating providers”) with the local Blue Cross and/or Blue Shield Licensee in that geographic area (“Host Blue”). In some instances, you may obtain care from providers that do not contract with the Host Blue (non-participating healthcare providers). Worldwide Insurance Services, LLC/4Ever Life International Limited payment practices in both instances are described below.

BlueCard® Program and Other Inter-Plan Arrangements
4 Ever Life International Limited and GeoBlue have relationships with other Blue Cross and/or Blue Shield Licensees generally called “Inter-Plan Arrangements.” They include “the BlueCard Program” and arrangements for payments to Non-Participating Providers. Whenever you obtain healthcare services the claims are processed through one of these arrangements. You can take advantage of the BlueCard Program when you receive covered services from hospitals, doctors, and other Providers that are in the network of the local Blue Cross and/or Blue Shield Licensee, called the “Host Blue” in this section. At times, You may also obtain care from Non-Participating Providers. Our payment calculation/practices in both instances are described below.

It is important to note that receiving services through these Inter-Plan Arrangements does not change covered benefits, benefit levels, or any stated residence requirements of this Plan.

- **Out of Area Services.** We have a variety of relationships with other Blue Cross and/or Blue Shield Licensees referred to generally as “Inter-Plan Programs.” Whenever you obtain healthcare services outside of our service area, the claims for these services may be processed through one of these Inter-Plan Programs, which include the BlueCard® Program and may include negotiated National Account arrangements available between us and other Blue Cross and Blue Shield Licensees.

Typically, when accessing care outside of our service area, you may obtain care from healthcare Providers that have a contractual agreement (i.e., are “Participating Providers”) with the local Blue Cross and/or Blue Shield Licensee in that other geographic area (“Host Blue”). In some instances, You may obtain care from Non-Participating healthcare Providers. Our payment practices in both instances are described below.

- **BlueCard® Program.** Under the BlueCard® Program, when you access covered healthcare services within the geographic area served by a Host Blue, We will remain responsible for fulfilling Our contractual obligations. However, the Host Blue is responsible for contracting with and generally handling all interactions with its participating healthcare Providers.

Whenever you access covered healthcare services outside of our service area and the claim is processed through the BlueCard® Program, the amount you pay for covered healthcare services is calculated based on the lower of:
- The billed covered Charges for your covered services; or
- The negotiated price that the Host Blue makes available to Us.

Often, this “negotiated price” will consist of a simple discount which reflects the actual price paid by the Host Blue to Your healthcare Provider. But sometimes it is an estimated price that takes into account special arrangements with Your healthcare Provider or Provider group that may include types of settlements, incentive payments, and other credits or Charges. Occasionally it may be an average price, based on a discount that results in expected average savings for similar types of healthcare Providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing, going forward, also take into account adjustments to correct for over- or underestimation or modifications of past pricing for the types of transaction modifications noted above. However, such adjustments will not affect the price We use for Your claim because they will not be applied retroactively to claims already paid.

Federal law or the law in a small number of states may require the Host Blue to add a surcharge to the calculation. If any federal law or any state law mandates other liability calculation methods, including a surcharge, We would then calculate Your liability for any covered healthcare services according to applicable law.
Non-Participating Health Care Providers

Please refer to the "Allowed Amount" definition in the Definitions section of this Contract.

Providers available to You through the BlueCard Program have not entered into contracts with 4 Ever Life International Limited. If you have any questions or complaints about the BlueCard Program, please call Us at the customer service telephone number listed on Your ID card.

We, or Our Authorized Administrator, will provide written notice to the insured Participant within a reasonable period of time of any Participating Provider’s termination or breach of, or inability to perform under, any Provider contract, if We determine that the insured Participant or his/her insured Dependents may be materially and adversely affected, and provide the insured Participant with a current list of Participating Providers.

If the Covered Person needs a new Provider listing for any other reason, he/she may call the customer service telephone number listed on the ID card or go to www.geobluestudents.com for a new Provider listing.

SECTION 15
GENERAL PROVISIONS

Entire Contract: The entire contract between the Insurer and the Covered Person consists of the Master Policy issued to the Global Citizens Association, this Certificate and the Member’s Group Certificate, which are deemed incorporated by reference and made a part of the Master Policy. All statements contained in the contract will be deemed representations and not warranties. No statement made by an applicant for insurance will be used to void the insurance or reduce the benefits, unless contained in a written application and signed by the applicant. No agent has the authority to make or modify the Certificate, or to extend the time for payment of premiums, or to waive any of the Insurer’s rights or requirements. No modifications of the Certificate will be valid unless evidenced by an endorsement or amendment of the Certificate, signed by one of the Insurer’s officers and delivered to the Participating Organization.

Time Limit on Certain Defenses: No claim for loss incurred after 1 year from the effective date of the Covered Person’s insurance will be reduced or denied on the grounds that the disease or physical condition existed prior to the effective date of the Covered Person’s insurance. This provision does not apply to a disease or physical condition excluded by name or specific description.

Legal Actions: No action at law or in equity may be brought to recover under the Certificate prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of the Certificate. No such action may be brought after the expiration of 3 years after the time written proof of loss is required to be furnished.

Assignment: No assignment of benefits will be binding on the Insurer until a copy of the assignment has been received by the Insurer or by its Administrator. The Insurer assumes no responsibility for the validity of the assignment. Any payment made in good faith will relieve the Insurer of its liability under the Certificate.

Beneficiary: The beneficiary is the last person named in writing by the Covered Person and recorded by or on the Insurer’s behalf. The beneficiary can be changed at any time by sending a written notice to the Insurer or to its Administrator. The beneficiary’s consent is not required for this or any other change in the Certificate unless the designation of the beneficiary is irrevocable.

Mistake in Age: If the age of any Covered Person has been misstated, an equitable adjustment will be made in the premiums or, at the Insurer’s discretion, the amount of insurance payable. Any premium adjustment will be based on the premium that would have been charged for the same coverage on a Covered Person of the same age and similar circumstances.

Clerical Error: A clerical error in record keeping will not void coverage otherwise validly in force, nor will it continue coverage otherwise validly terminated. Upon discovery of the error an equitable adjustment of premium shall be made.

Not in Lieu of Workers’ compensation. The Certificate does not satisfy any requirement for Workers’ Compensation.

Subrogation: If the Covered Person suffers an Injury or Sickness through the act or omission of another person, and if benefits are paid under the Certificate due to that Injury or Sickness, then to the extent the Covered Person recovers for the same Injury or Sickness from a third party, its insurer, or the Covered Person’s uninsured motorist insurance, the Insurer will be entitled to a refund of all benefits the Insurer has paid from such recovery. Further, the Insurer has the right to offset subsequent benefits payable to the Covered Person under the Certificate against such recovery.

The Insurer may file a lien in a Covered Person’s action against the third party and have a lien upon any recovery that the Covered Person receives whether by settlement, judgment, or otherwise, and regardless of how such funds are designated. The Insurer shall have a right to recovery of the full amount of benefits paid under the Certificate for the Injury or Sickness, and that amount shall be deducted first from any recovery made by the Covered Person. The Insurer will not be responsible for the Covered Person’s attorneys’ fees or other cost.
Upon request, the Covered Person must complete the required forms and return them to the Insurer or to the Administrator. The Covered Person must cooperate fully with the Insurer in asserting his/her right to recover. The Covered Person will be personally liable for reimbursement to the Insurer to the extent of any recovery obtained by the Covered Person from any third party. If it is necessary for the Insurer to institute legal action against the Covered Person for failure to repay the Insurer, the Covered Person will be personally liable for all costs of collection, including reasonable attorneys' fees.

**Right of Recovery**: Whenever the Insurer have made payments with respect to benefits payable under the Certificate in excess of the amount necessary, the Insurer shall have the right to recover such payments. The Insurer shall notify the Covered Person of such overpayment and request reimbursement from the Covered Person. However, should the Covered Person not provide such reimbursement, the Insurer has the right to offset such overpayment against any other benefits payable to the Covered Person under the Certificate to the extent of the overpayment.

**Alternate Cost Containment Provision**: If it will result in less expensive treatment, the Insurer may approve services under an alternate treatment plan. An alternate treatment plan may include services or supplies otherwise limited or excluded by the Plan. It must be mutually agreed to by the Insurer, the Covered Person, and the Covered Person’s Physician, Provider, or other healthcare practitioner. The Insurer’s offering an alternate treatment plan in a particular case in no way commits the Insurer to do so in another case, nor does it prevent the Insurer from strictly applying the express benefits, limitations, and exclusions of the Plan at any other time or for any other Covered Person.

**Currency**: All premiums for and claims payable pursuant to the Certificate are payable only in the currency of the United States of America.

**Grievances**

For the purposes of this section, any reference to “You”, “Your” or “Covered Person” also refers to a representative or Provided by You to act on Your behalf, unless otherwise noted.

We will do Our best to resolve the matter on your initial contact. If We need more time to review or investigate your concern, We will get back to You as soon as possible, but in any case within 30 days.

If You are not satisfied with the results of a coverage decision, You can start the appeals procedure.

**Appeals Procedure**

The Insurer has a two-step appeals procedure for most coverage decisions. To initiate an appeal, You must submit a request for an appeal in writing within 180 days of receipt of a denial notice. You should state the reason why you feel your appeal should be approved and include any information supporting Your appeal. If You are unable or choose not to write, You may ask to register your appeal by telephone. Call or write to the Administrator at the toll-free number or address shown on your identification card, explanation of benefits or claim form.

**Level One Appeal**

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional.

For level one appeals, you will be responded to in writing with a decision within fifteen calendar days after we receive an appeal for a required pre-service or concurrent care coverage determination (decision). We will respond within 30 calendar days after we receive an appeal for a post-service coverage determination. If more time or information is needed to make the determination, We will notify You in writing to request an extension of up to 15 calendar days and to specify an additional information needed to complete the review.

You may request that the appeal process be expedited if, the time frames under this process would seriously jeopardize Your life, health or ability to regain maximum function or in the opinion of Your Physician would cause You severe pain which cannot be managed without the requested services; or your appeal involves non-authorization of an admission or continuing Inpatient Hospital stay. The Insurer or its designee’s physician reviewer, in consultation with the treating Physician, will decide if an expedited appeal is necessary. When an appeal is expedited, We will respond orally with a decision within 72 hours, followed up in writing.
Level Two Appeal

If you are dissatisfied with our level one appeal decision, you or your authorized representative may request a second review for appeals involving Medical Necessity or clinical appropriateness. To start a level two appeal, follow the same process required for a level one appeal.

Most requests for a second review will be conducted by an appeals committee, which consists of at least three people. Anyone involved in the prior decision may not vote on the appeals committee. For appeals involving Medical Necessity or clinical appropriateness, the Committee will consult with at least one Physician or Dentist reviewer in the same or similar specialty as the care under consideration, as determined by the Insurer’s or its designee’s Physician or Dentist reviewer. You may present your situation to the committee by conference call.

For level two appeals we will acknowledge in writing that we have received your request and schedule a committee review. For required pre-service and concurrent care coverage determinations, the committee review will be completed within 15 calendar days. For post-service claims, the Committee review will be completed within 30 calendar days. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed by the Committee to complete the review. You will be notified in writing of the committee’s decision within five working days after the Committee meeting, and within the Committee review time frames above if the committee does not approve the requested coverage.

You may request that the appeal process be expedited if, the time frames under this process would seriously jeopardize your life, health or ability to regain maximum function or in the opinion of your Physician would cause you severe pain which cannot be managed without the requested services; or Your appeal involves non-authorization of an admission or continuing Inpatient Hospital stay. The Insurer’s or its designee’s Physician reviewer, in consultation with the treating Physician will decide if an expedited appeal is necessary. When an appeal is expedited, we will respond orally with a decision within 72 hours, followed up in writing.

Following a second level appeal, a final determination will be made and a letter will be sent to you.

Dispute Resolution
All complaints or disputes relating to coverage under this Certificate must be resolved in accordance with the Insurer’s grievance procedures. Grievances may be reported by telephone or in writing. All grievances received by the Insurer that cannot be resolved by telephone conversation (when appropriate) to the mutual satisfaction of both the Covered Person and the Insurer will be acknowledged in writing, along with a description of how the Insurer propose to resolve the grievance.

The Insurer shall not take any retaliatory action, such as refusing to renew or canceling coverage, against the Covered Person and his/her Insured Dependents or the Member because the Covered Person’s, the Member’s, or any person’s action on the Covered Person’s or the Member’s behalf, has filed a complaint against the Insurer or has appealed a decision made by the Insurer.

All grievances not resolved by the Insurer’s grievance procedures, and all other controversies and claims arising out of or relating to the Policy, or any coverage provided thereunder, shall be determined by final and binding arbitration administered by the American Arbitration Association (“AAA”) under its Commercial Arbitration Rules and Mediation Procedures (“Commercial Rules”) including, if appropriate, the International Commercial Arbitration Supplementary Procedures and the Supplementary Rules for Class arbitrations. The award rendered by the arbitrator shall be final, non-reviewable and non-appealable and binding on the parties and may be entered and enforced in any court having jurisdiction. There shall be one arbitrator agreed to by the parties within twenty (20) days of receipt by respondent of the request for arbitration or in default thereof appointed by the AAA in accordance with its Commercial Rules.
