**Home Screen Overview**

**Logging On**
When you start the Kronos Mobile app, your device connects to your organization's Workforce Central server, using an IP address you supply. You can then log on using your existing Workforce Central credentials.

**Alerts**
If there are matters requiring your attention, they will appear as alerts. Tap the Alerts icon to view all of your alerts.

**Tasks**
Simply tap a task to drill down and view its details. Scroll down to access more tasks. Depending on your role, some tasks may not be accessible.

**Offline Mode**
If you cannot connect to your server, tap here to enter Offline mode. Any edits you make will upload the next time you are online.

**GET THE APP**
Anyone can download and try out the Kronos Mobile app – check your device’s app store to get it. To log on to your organization’s server, however, you must be granted access.

**Refresh**
Tap to update the screen with the latest data from the server. It’s a good idea to refresh after making edits.

**Context**
Tap to change the Time Period you are viewing. All information you view will be in this context until you change it.

**Location**
Tap to view your current geographical location. If it is recognized by your organization, the app will use it for punches.

**Alerts**
If there are matters requiring your attention, they will appear as alerts. Tap the Alerts icon to view all of your alerts.

**Tasks**
Simply tap a task to drill down and view its details. Scroll down to access more tasks. Depending on your role, some tasks may not be accessible.

**Offline Mode**
If you cannot connect to your server, tap here to enter Offline mode. Any edits you make will upload the next time you are online.

**Punch In or Out**

1. **On the home screen, select Punch.**
2. **If you are starting a shift requiring a transfer, select Transfer. Otherwise, skip to Step 4.**
3. **Select a transfer and tap the check mark.**
4. **If you are working without a break, switch Cancel Deduction to ON. To enter the punch, tap Punch.**

**Scan**
If you are working at a location with a barcode for starting and stopping jobs, you can punch by tapping here and scanning the code.

**When to Make a Transfer**
Normally, you should only enter a transfer when your manager is aware that you will be making one. Select the transfer only when punching In for the transfer; do not select the transfer again when punching Out. Your device may recognize your geographical location and limit your transfer options based on that location.

**When to Cancel a Deduction**
Normally, you should only cancel a deduction when your manager has given you approval to do so. Only cancel the deduction when punching Out at the end of your shift, unless your manager has instructed you to do otherwise.
Workforce Mobile (iPhone)
Performing Employee Tasks

View Your Timecard or Schedule

- On the home screen, select Timecard or Schedule.
- Schedule Calendar Toggle: Tap to switch between a list view (pictured here) and a calendar view. In the calendar, dates with dots have a scheduled shift or time off.
- Schedule Details: Tap a date in the list or calendar to view the details of a shift or time off.
- Timecard Totals: Tap to view a summary of the types of hours you have worked.
- Add or Edit Time: If you have the necessary permissions, tap a punch or pay code to edit it, or tap a date to add a punch or pay code to that date.
- Timecard Approval: Tap to approve your timecard hours. Your manager will let you know how frequently you should approve.

Start a New Request

There are several types of requests you can submit to your manager. All are handled from the Requests screen. The specifics of each type of request are described in the “Complete a…” sections on the following pages.

1. On the home screen, select Requests.
2. Tap the + to add a new request.
3. Select the type of request you want to make. (Instructions for each Request type are covered in subsequent sections.)

Prior Requests
To view the details of a previously-submitted request, simply select it from the list of requests. The details screen also gives you the option to completely retract the request you are viewing.
Complete a *Time Off Request*

1. Select the type of time off to take. (Check with your manager if you are not sure which to select.)

2. Enter a **Start Date** and **End Date** for the time off. (If you are only taking one day off the Start Date and End Date will be the same.)
   - If prompted, select a **Pay Code**. (Check with your manager if you are not sure which to select.)

3. Select a **Duration** for the time off. This is the number of scheduled shift hours you will not be working.
   - If you will be taking off an entire shift each day, select **Full day**, tap **Review**, and skip to Step 5.
   - If you will be taking off only half a shift each day, select **Half day**, tap **Review**, and skip to Step 5.
   - Otherwise select **Hours** and continue to Step 4.

4. If you selected Hours for the Duration, enter a **Start Time** and **Length**. The tap **Review**.
   - For example, if you are scheduled to work 8:00am to 5:00pm and you want to take 8:00am to 11:00 off, enter 8:00am for Start Time and 3:00 for Length.

5. Review the summary of the request for accuracy. (If you need to start over click **Cancel**.)
   - You may enter a textual **Note** if you would like; your manager will see this note.
   - If the details of the request are accurate, tap **Submit** to send the request to your manager.
Complete an Open Shift Request

1. Select the shift you want to work. (Tap the calendar icon if you need to change the range of dates first.)
2. Tap Review.
3. Review the request for accuracy.
   You may add a note to your manager, if you wish.
   If the request is accurate, tap Submit to send it to your manager.

Complete a Request to Cover Request

1. Select the shift that you need someone else to cover and tap Apply. (Tap the calendar icon if you need to change the range of dates first.)
2. Select the co-worker(s) you would like to invite to cover your shift.
   Click Review.
3. Review the request for accuracy.
   You can include a note to the selected co-workers.
   If the request is accurate, tap Submit to send it to the selected co-workers.

Sending to the Group
You may have the option to Request to Cover to Group. In this case, you will not select specific employees to cover your shift; it will go to your group and ask for volunteers.
Complete a Change Availability Request

1. Select a date for which you want to change availability. (Tap the calendar icon if you need to change the range of dates first.)

   Note that tapping the pencil icon lets you select multiple dates. Select the dates and tap Set Availability. Then tap the X to return to the list of dates. In this case any changes you make will apply to all of the selected dates.

2. To apply one availability type to the entire day, simply select the availability type and skip to Step 4.

   Otherwise, tap Enter Detailed Availability and continue to Step 3.

3. To enter detailed availability, select a start and stop time for the first period, then select the availability type for that period.

   Then tap Add Period to add another availability period to the day and supply the new period’s details.

   When you have added all of the periods needed to accurately represent your availability for the day, tap Apply.

4. If you need to change availability for other visible dates, repeat the above steps.

   When all visible dates accurately represent your availability, tap Review.

5. Review the summary of the request for accuracy. (If you need to start over click Cancel.)

   You may enter a textual Note if you would like; your manager will see this note.

   If the details of the request are accurate, tap Submit to send the request to your manager.
Complete a Shift Swap Request

1. Select your shift that you want to swap.
   (Tap the calendar icon if you need to change the range of dates first.)

2. Tap Apply.

3. Select the co-worker’s shift that you want to work instead of your shift.
   (Tap the calendar icon if you need to change the range of dates first.)

4. Tap Review.

5. Review the summary of the request for accuracy.
   (If you need to start over click Cancel.)

   You may enter a textual Note if you would like; the co-worker working the shift will see this note.

   If the details of the request are accurate, tap Submit to send the request to your co-worker.
