Audit Enrollment Policy*

Students enrolled in at least **12 units** during the same semester may audit up to **4 units** at no additional charge.

Art students must be enrolled in at least **15 units** during the same semester to audit up to **4 units** at no additional charge.

Students enrolled in **Doctoral Study** or **Continuous Registration** may audit one course at no charge. The course may be worth **either 2 or 4 audit units**.

Executive Management Courses**

Executive Management courses may not be audited.

Audit fees apply to all other non-Executive Management courses.

Alumni Auditors***

Alumni are defined as graduates of Claremont Graduate University who are not currently enrolled in and pursuing another CGU degree.

Instructor approval is required for all alumni audit enrollments.

Alumni are charged 100% of the applicable audit fee and are not eligible for audit discounts.

Tuition discounts applicable to enrollments exceeding 12 units do not apply to alumni auditors.

Dual Degree Students

Tuition rates for dual degree students are based on the higher tuition rate of the two programs, regardless of the subject area or number of enrolled units.

Students remain classified as dual degree students throughout their academic careers until both degrees have been awarded.
