

SPARK ■ The Doctoral Success Program

 Claremont Graduate University

YAMMER COMMUNITY GUIDELINES

Welcome to the Spark Doctoral Success Program Yammer Page! Our goal is to provide a collaborative and safe environment with your fellow graduates as you work through your writing commitments and Doctoral milestones! Yammer helps build communities of practice and connections; this requires all graduates to follow simple community rules as well as Claremont Graduate University's policies so that everyone benefits from this service.

Yammer Profile

Participants must use their real names and photographs.

Respect Everyone's Privacy

Being part of this group requires mutual trust. What is shared in this Yammer group should stay in this Yammer group. (No public posts or Tweets, and so on).

Be Safe and Secure

Do not post confidential information. Protect your own privacy.

Be Kind and Courteous

We're all in this together to create a welcoming environment. Let's treat everyone with respect. Healthy debates are natural, but please do so in a respectful manner.

No Hate Speech or Bullying

Make sure everyone feels safe. Bullying of any kind is not allowed, and degrading comments about things like race, religion, culture, sexual orientation, gender, or identity will not be tolerated.

It is your Responsibility to Follow Guidelines.

Yammer administrators will moderate from time to time the use of Yammer and may remove posts that are in breach of these guidelines. Violation of the guidelines and CGU's policies may result in suspension of Yammer community group and/or disciplinary action. This guideline will be updated regularly to reflect changing needs and CGU's evolving use of Yammer.
