Person must isolate for at least 10 days and 24 hours with no fever (w/o meds) from symptom onset or, if asymptomatic, from date of positive test result.

**CLOSE CONTACT:** At least 15 minutes in a 24-hour period in which someone is within 6 feet of an COVID-positive individual, regardless of mask wearing, vaccination status, or indoor/outdoor location.

**ISOLATION:** The separation of a confirmed COVID-positive individual from people who are not sick.

**QUARANTINE:** An exposed individual is separated/restricted from others for a period of time to determine if infection has been transmitted.
